

How to Join a Wiki on Wikispaces

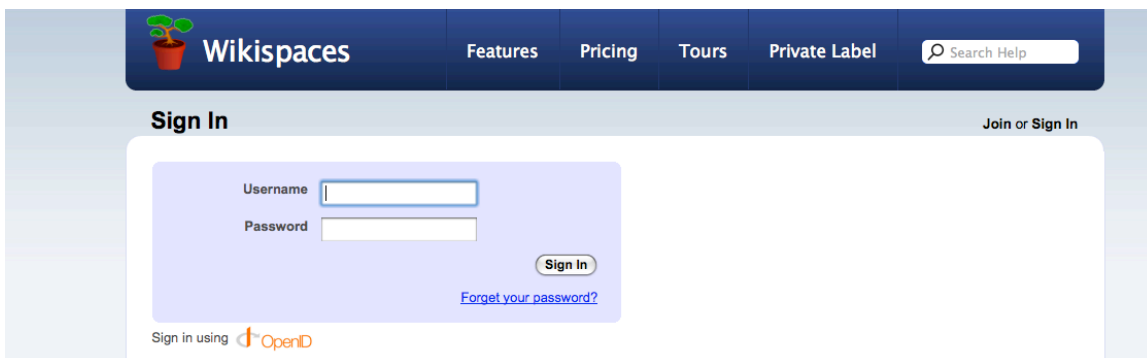

Already have a Wikispaces account start here, if you do not have an account scroll down to page 2.

1. In your browser type in the wiki address that you want to join. If you already have an account on wikispaces, use your Username and Password to join. Click on **Join this Wiki**.

The screenshot shows the Wikispaces interface for a wiki named 'westgate'. The top navigation bar includes links for 'guest', 'Join', 'Help', 'Sign In', and the Wikispaces logo. On the left sidebar, there are links for 'Join this Wiki', 'Recent Changes', and 'Manage Wiki', along with a search box. The main content area displays an 'Access Denied' message: 'You do not have access to view this page. Please sign in or [create an account](#) to continue.' Below this, it instructs users to sign in with their existing account by entering their username or email address and password. A sign-in form with fields for 'Username' and 'Password' is provided, along with a 'Sign In' button and a link for 'Forgot your password?'. An 'OpenID' sign-in option is also available. At the bottom, there is a link to contact help at help@wikispaces.com or visit the [help section](#).

3. You will be taken to a new page to sign in. After you have entered your Username and Password select **Sign In**.

The screenshot shows the Wikispaces 'Sign In' page. The top navigation bar includes the Wikispaces logo, links for 'Features', 'Pricing', 'Tours', and 'Private Label', and a 'Search Help' box. The main heading is 'Sign In', with a 'Join or Sign In' link on the right. The sign-in form is centered and contains fields for 'Username' and 'Password', a 'Sign In' button, and a link for 'Forgot your password?'. An 'OpenID' sign-in option is also present at the bottom.

4. In the next window click on **Request Membership**. Your request will be sent to the Administrator of the wiki. When your membership is approved you will receive an email and you will have access.
